

Holiday Homework

Class – 2nd

Dear Parents,

Summer vacations are a welcome break for our children-a break from getting up early in the morning and following a fixed schedule. They are a great time to learn new things. Keeping this in mind, we have planned interesting and creative holiday homework for our little ones to keep them engaged and to channelize their energies. It's time to have fun, create and invent.

Please take note of the following instructions:

- All the holiday homework should be neatly done in the scrap book.
- Children shall do the listed activities under the guidance and assistance of their parents.
- Do all work with date & day.
- Encourage your child to watch informative program on television.
- Holiday's homework bears a weightage of 5 marks in each subject.
